2. Preliminary Scoping Track 2 Summary Report for Central Facilities Area Operable Unit 4-09 (Incorporating Selected Sites from Operable Units 4-03 and 4-07) and CFA French Drain Removals, Document No. INEL-95/0586, Rev. 0.

Debra,

Please include the referenced documents in the Administrative Record (AR) under Operable Unit (OU) 4-09. Reference 2 is one of the enclosures to reference 1. The other enclosure, the comment resolutions, is attached to the hard copy of this note, in case it has not already been provided to you with reference 1 or 2.

The OU 4-09 Track 2 included selected sites from OU 4-03 and OU 4-07, so please include a copy of this note, without any attachments/enclosures, in the AR for OU 4-03 and 4-07. The purpose of said copies is to inform any AR user of the existence of the additional information available with respect to these operable units.

Thanks for your support.
